

ANNOUNCEMENT

Prequalification Enquiry No.: 42 / 2009

Prequalification for Consultancy Services for the Establishment of a Joint Venture between EAC and potential strategic partners for the development, financing, operation and management of an LNG Import Regasification Terminal in Cyprus

New Closing Date: 06 April 2009

The Electricity Authority of Cyprus invites **Applications for Pre-qualification** for provision of **Consultancy Services** in relation to:

- a) the selection of strategic partners for establishing with EAC a Joint Venture, that will be responsible for developing, financing, operating and managing the LNG Terminal at Vasilikos;
- b) supporting and advising EAC, as a member of the Joint Venture, on financial, technical, commercial and legal matters during the development stage of the LNG Terminal;
- c) the conclusion of a Gas Sales Agreement on behalf of EAC.

The contract is estimated to be of a two - year duration.

Prequalification is open to firms and voluntarily formed consortia. Only the firms and consortia pre-qualified under this procedure will be invited for tendering in a restricted procedure at a later stage.

The Prequalification Enquiry Documents can be obtained free of charge from EAC's Tender Web Site: www.eac.com.cy → **Tenders**.
