

Annual Bimonthly Meter Reading Cycles

Important Notes:

In **Red Colour** the Measurement Cycles for which the Distribution System Operator might provide Estimated Validated Consumptions are indicated.

Suppliers are responsible to inform their Customers of the Distribution System Operator Meter Reading procedures and Clearing accounts based on estimated readings shall be cleared on the next bi monthly period with actual readings.

The Ring Fenced Meter Reading Department shall proceed with meter readings revision only in case of severe deviations of estimated readings from proofed actual meter readings.

| MDMS Cycle | MDMS Schedule Selection Date | MDMS Expected Reading Date | MDMS Estimation Date |
|-------------------|-------------------------------------|-----------------------------------|-----------------------------|
| 01 | 28/12/2021 | 03/01/2022 | 13/01/2022 |

Important Notes:

| MDMS Cycle | MDMS Schedule Selection Date | MDMS Expected Reading Date | MDMS Estimation Date |
|-----------------------|---|---------------------------------------|---------------------------------|
|-----------------------|---|---------------------------------------|---------------------------------|

In **Red Colour** the Measurement Cycles for which the Distribution System Operator might provide Estimated Validated Consumptions are indicated.

Suppliers are responsible to inform their Customers of the Distribution System Operator Meter Reading procedures and Clearing accounts based on estimated readings shall be cleared on the next bi monthly period with actual readings.

The Ring Fenced Meter Reading Department shall proceed with meter readings revision only in case of severe deviations of estimated readings from proofed actual meter readings.
