NOTES:

- ❖ It is noted that the amount of deposit for the categories 1.1, 1.4 and 2.1 of the above table, shall be charged on the first electricity bill of the customer.
- ❖ For all the other categories of the above table, the amount of deposit is payable prior to the connection of the service.
- ❖ CERA has approved the transfer of the bill of a deceased domestic customer (under tariffs with codes 01, 02 and 08) to a member of his/her family (spouse or child) who is the owner of the premise, with the same amount of deposit as originally charged to the deceased customer's account and not with the amount of deposit that is applied according to the above charges.

This transfer would be accepted if the new customer of EAC, submits one of the following certificates:

1. The title deed of the premise if he/she is the owner and the death certificate of the existing EAC customer or
2. The Court Order for the administration of the property of the deceased and a certificate from the Property administrator that he/she accepts the electricity bill could be transferred to a specific heir of the property or
3. Certification by the Community Registrar that he/she is one of the heirs of the deceased with the consent of the remaining heirs to transfer the electricity bill in his/her name.
